

Dawn of a new Age - MAC - Guide v1

Avvia e scarica crossover [games 38€](#) oppure il WEB è un [posto favoloso](#) 😊

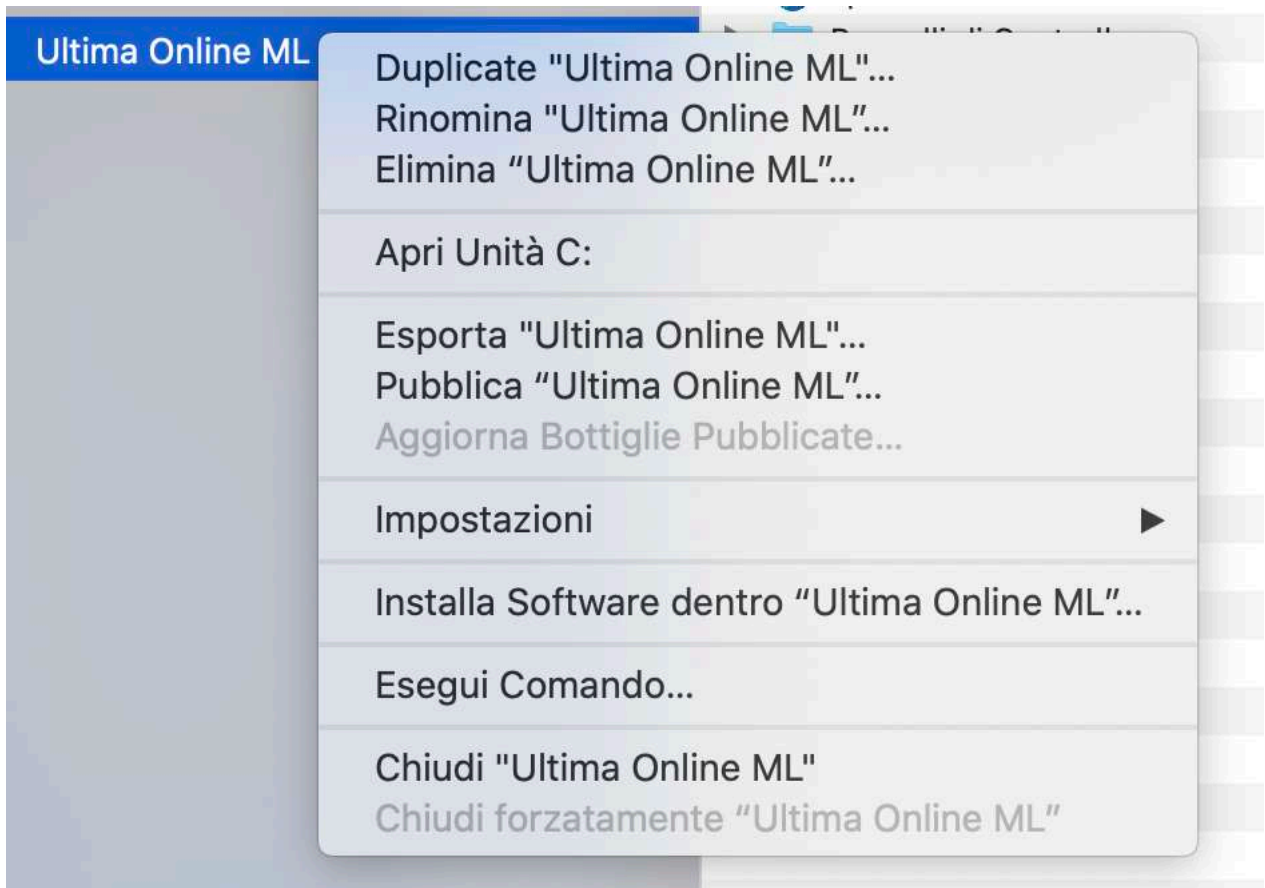

Clicca su "+" e crea una "Nuova Bottiglia"

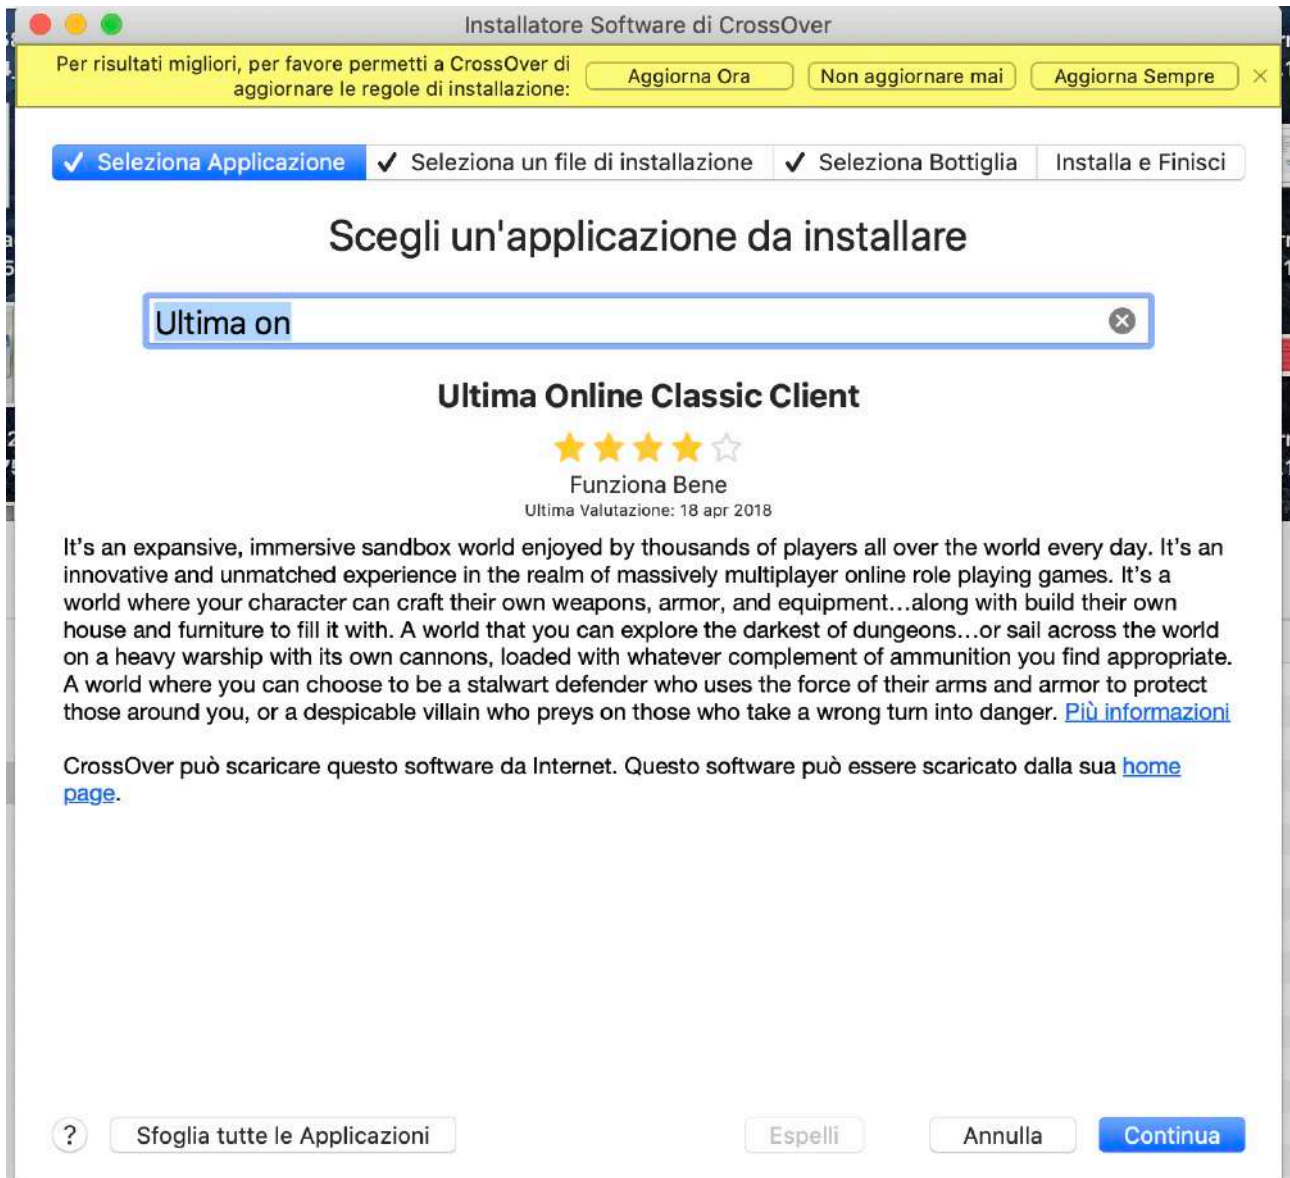

Rinomina la bottiglia e seleziona WINDOWS XP

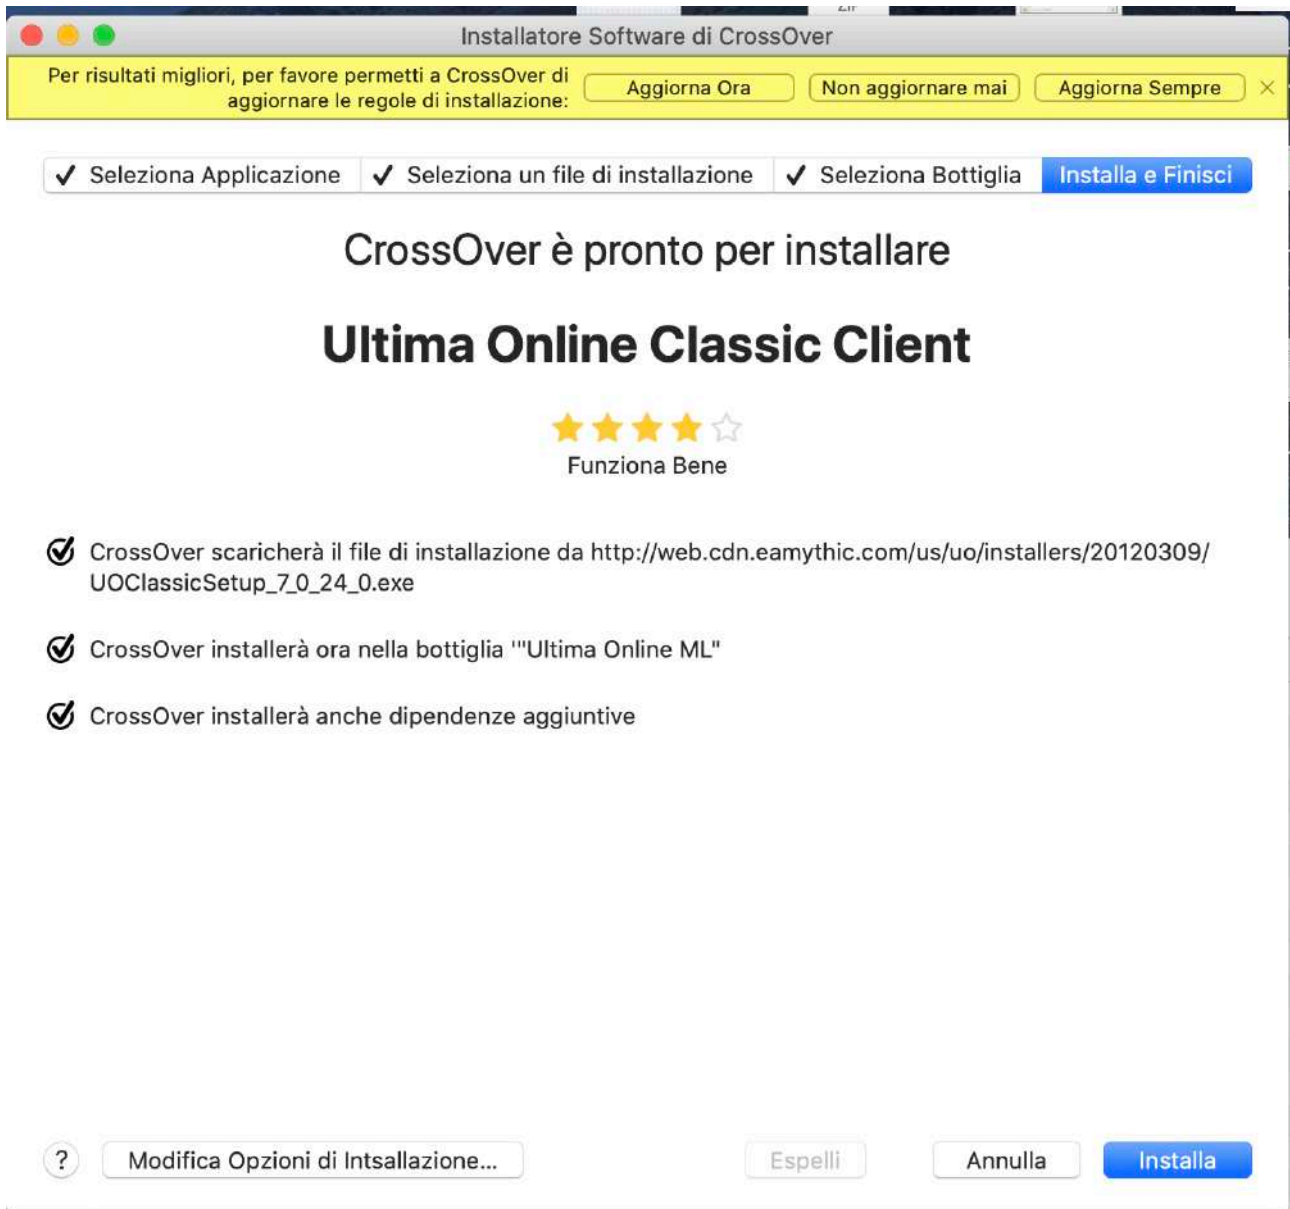

Attendi la creazione della bottiglia

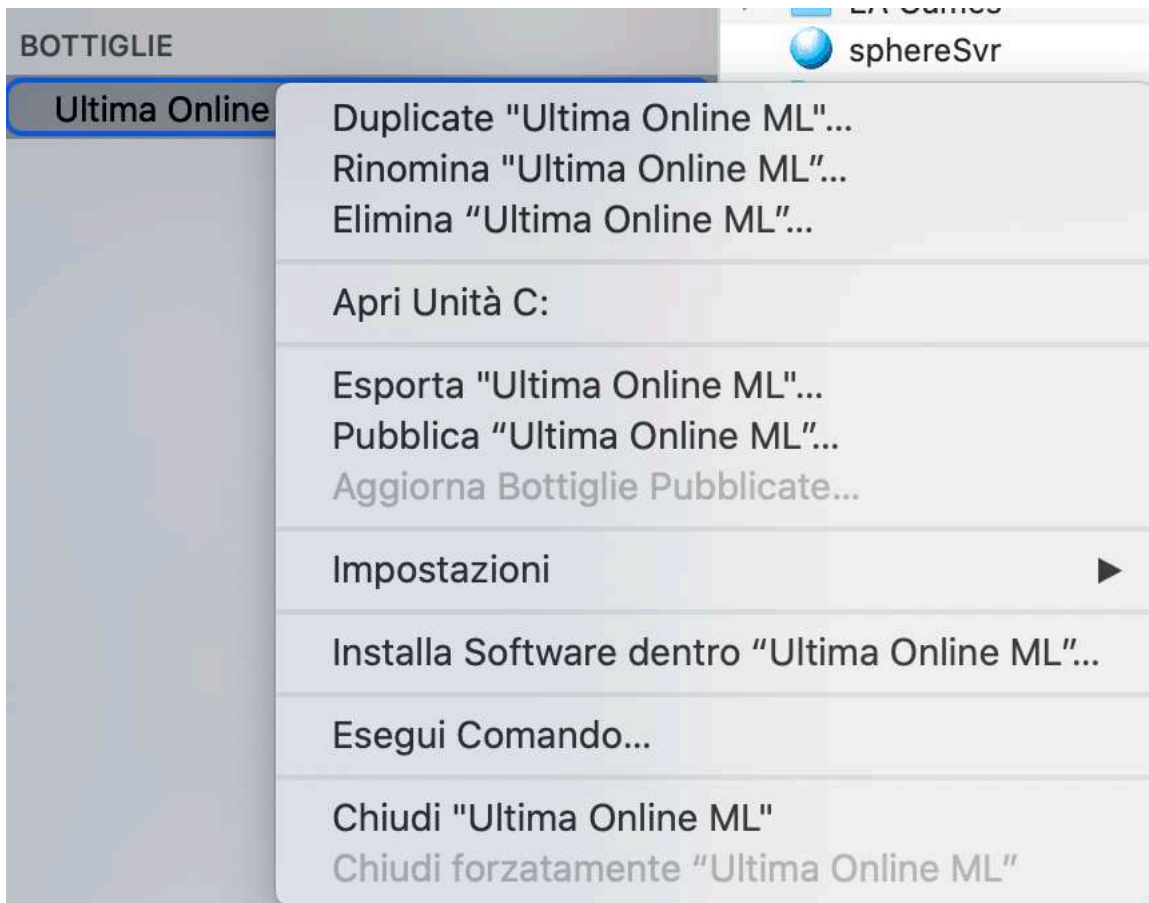

tasto destro sulla bottiglia appena creata e seleziona Installa Software

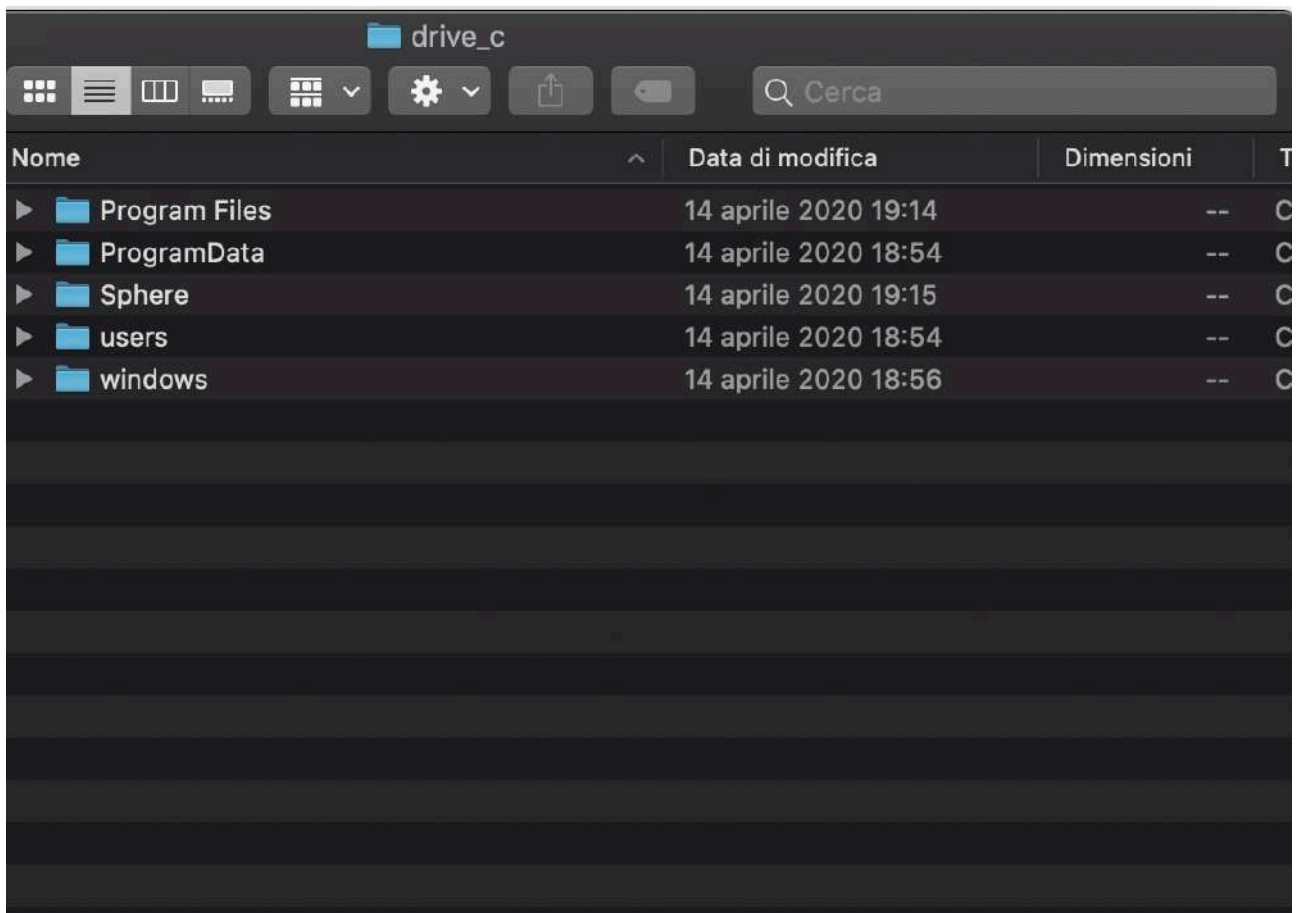

Ricerca nelle APP ULTIMA ONLINE

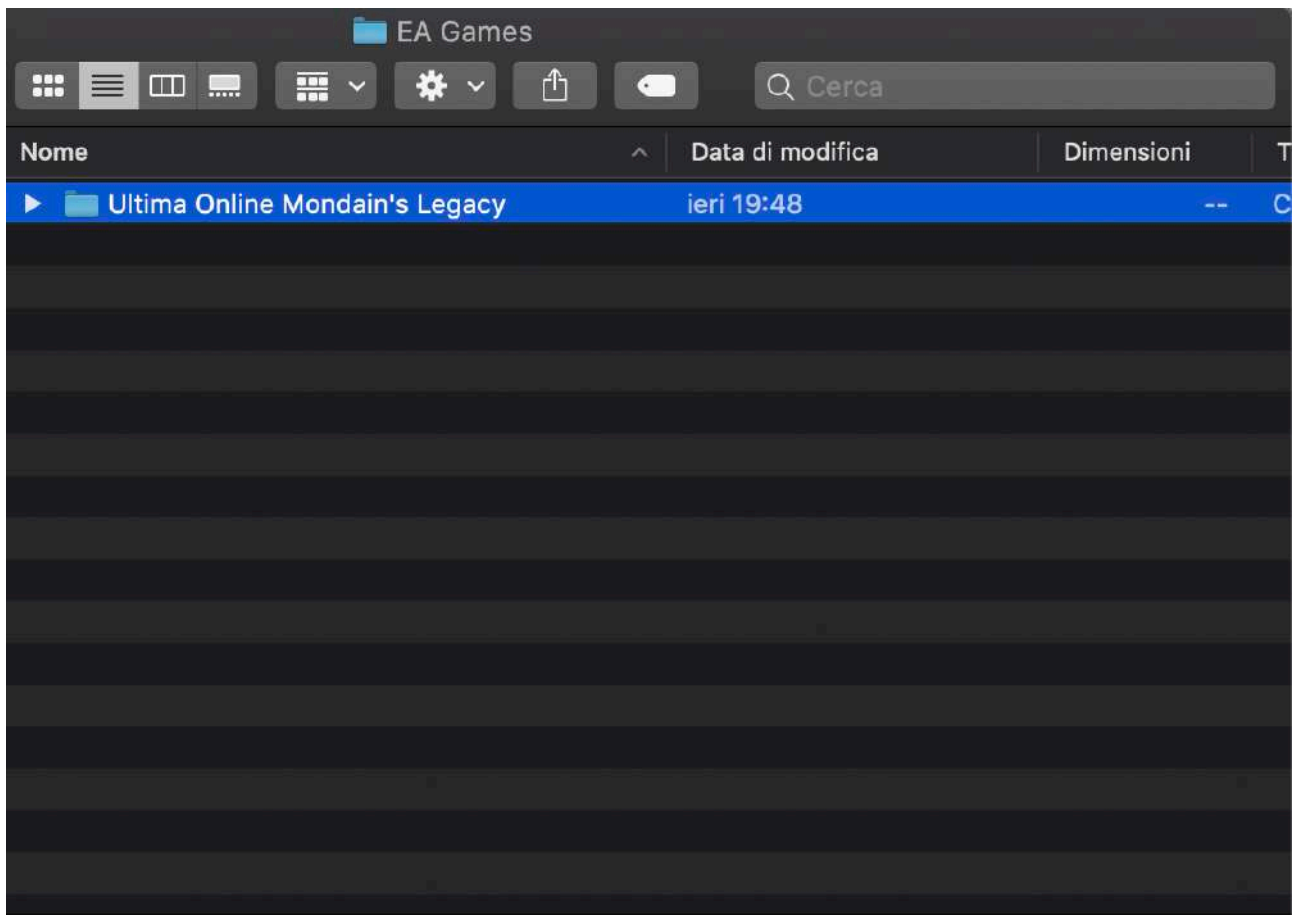

Premi su continua e poi Installa

Sempre tasto destro e seleziona APRI UNITA' C:

Ora avrai la cartella base del disco locale sulla Bottiglia - Seleziona Programs Files e la destinazione di UO

Copia i files di DNA nella cartella ed avvia il client
